

TECHNICAL BUYER (F/M)

We are looking for a technical buyer to extend our enthusiastic team in Oldenzaal. You are experienced in buying technical components and directly related matters and services in a High-Tech environment. Knowledge of Exact and/or Synergy and experience in the medical industry are a plus. Your technical background is relevant, you have a bachelor or master degree and you are looking for a next step in your career.

As a Technical Buyer, you:

- Issue all purchase orders, place/raise orders and follow up on timely delivery of these orders
- Implement, improve material planning processes in our ERP system
- Are responsible for Supplier search in close cooperation with your peers in Operations, Research, Product Development, Marketing and Sales
- Work proactively to minimize supply chain risks
- Manage Supplier evaluation and optimization, and implement and maintain a state of the art Incoming Goods Inspection process
- Build and maintain strong working relationships with all stakeholders
- Have a flexible, professional and critical attitude
- Work closely together with the Operations Manager and Sales Manager to ensure optimal product availability

Key elements for this function are:

- Bachelor/master degree or equivalent experience in Supply Chain or Technical field
- Preferably at least 3 years of working experience in a similar position
- The right level of knowledge of technical components and electronics
- Strong negotiation skills
- Experienced ERP system user and good IT skills
- Strong written and verbal communications in both Dutch and English
- Ability to work with others in a professional & diplomatic way
- Proactive approach to problem solving
- Confident, assertive with good organizational skills
- Able to work on own initiative
- Good time management skills and able to set and drive priorities
- Ability to work within teams and communicate business needs

What we offer

We offer a position in a technically challenging and very stimulating environment with a relatively small team of people. Communication routes are short and we encourage our people to think outside the box. Please send your resume electronically to info@tmsi.com

For more information please contact Mr. Thijs Lohuis, Production Manager.
